1:00 p.m. Virginia Hawks, CS

Virginia will tell us of Mary Baker Eddy's pioneering work in establishing Christian Science with its healing mission.

Mary Baker Eddy, the founder of the Christian Science Church, lived in a time when women were not allowed to vote, own property, or own a business, yet she established a church, along with weekly and monthly publications, and a newspaper – all still in publication and highly respected in today's world.

2:00 p.m. Ice Cream Social,  
Historical Exhibits

3:00 p.m. Music: Hymns, Local History,  
Fellowship
