

Health Is A Spiritual Reality

You and your friends are cordially invited to attend a free
Christian Science lecture by

Heloisa Gelber Rivas

Sunday February 25, 2018

English - 2:00 p.m.

Español - 3:30 p.m.

**Second Church of Christ, Scientist
8705 Catalina Ave., Whittier, CA 90605**

(1/2 block north of Whittier Blvd., across from East Whittier Middle School)

The prevalent view today is that health, vitality and beauty are gained through exercise, nutrition, spa treatments, dieting, supplements, and so on.

However, there's another view...

Discover how a truer and more satisfying concept of health and beauty can be realized by drawing closer to God - through the understanding that health is the reality of our being as the beloved sons and daughters of God.

Heloisa Gelber Rivas, CSB, is a Christian Science practitioner, teacher and lecturer, and has served as the Associate Editor of the Christian Science Publishing Society. Mrs. Rivas was born and raised in Brazil, and now resides in Boston, Massachusetts.
