

# Come join Longyear Museum for a book talk!

Author Heather Vogel Frederick, who heads up Longyear's Research & Publications team, will share inspiring stories from *Life at 400 Beacon Street: Working in Mary Baker Eddy's Household*, a new publication from Longyear Museum Press. From all walks of life, Mrs. Eddy's staff members were ordinary people in extraordinary circumstances, invited to join one of the most high-profile households in the world: The home of the Discoverer, Founder, and Leader of Christian Science.

A book signing will follow the talk (which lasts about an hour). Copies of the book will be available for purchase, and can always be ordered at [www.longyear.org/store](http://www.longyear.org/store). For more information, call 800.277.8943, ext. 275.

*Right:* In this photo spread from the book, Calvin Frye (right) is shown seated at his desk at Chestnut Hill. That same desk (left) is now part of Longyear Museum's collection.
