

The Effulgence Foundation Film Series

Sponsored by First and Second Churches of Christ, Scientist
Newport Beach

First Presentation: THE DR. JOHN TUTT STORY

Date: Thursday March 19, 2020

Time: 7:30 p.m.

Location: Oasis Senior Center
801 Narcissus Ave, Corona del Mar

The Effulgence Foundation strives to achieve excellence in presenting the history of early Christian Scientists, specifically second-generation workers, and the spirituality that elevated their life work. Each film is carefully exhibited with the aid of a curator who travels with the motion picture and presents a historical prolog, the film screening, and an epilog that includes an opportunity for the live audience to have questions answered. We call this presentation the EFFULGENCE EXPERIENCE, and it lasts for about an hour. In addition, our curator will be available after the formal presentation to answer informal questions. There is no charge, but donations will be accepted.
